We hope you will join us for our annual Award in Philanthropy celebration and share in an evening filled with inspiring stories of philanthropy. We're recognizing some very special people who have given generously of their time, treasure, and talent by enriching the lives of our friends and neighbors all while making our community and the world better. Proceeds support annual grants to local non-profits. Your support may be tax-deductible, and all funds raised through the Foundation stay local to support immediate and future community needs.
